List of Alternative (Private) Loan Lenders

Domestic and International Borrowers

Please contact the lender, directly, to confirm current terms and conditions of their loan programs.

Note: Degree-seeking but less-than-half-time, International, and non-degree-seeking students who do not meet the lender's criteria will need to seek non-educational loan options outside of those listed. We encourage degree-seeking students to enroll at least halftime so that they may consider Federal student loan options.
